HOW OHIO GOVERNMENT IMPACTS YOU HOW YOU CAN IMPACT OHIO GOVERNMENT

The League of Women Voters of Ohio has produced an interactive, fun Ohio civics program that will be available to students on a CD or on the imPACT website, www.ohioimpact.org. Its self-directed navigation lets students learn "How Ohio Government Impacts You; How You Can Impact Ohio Government." This can be used in the classroom as a teaching tool or individually.

Developed with help of high school focus groups, the presentation gives students information about Ohio government organization; a brief history and some fun facts about the state; practical instruction on voting and ways to get involved in the political process. There are also many portals to resources that can enhance their understanding of government and hopefully encourage them to become engaged citizens while they are young.

The imPACT Project was underwritten by grants from the Kettering Fund and the Joyce Foundation. For more information, click on Contact Us on the imPACT website at www.ohioimPACT.org. or contact Project Manager Anne Nelson at anelson6@columbus.rr.com.
